Workshop #2, Lesson on **Pop Art** of the 1960's and **Minimalism** of the 1970's

Previously:
Workshop #1, Lesson on **Abstract Expressionism** of the 1950's

Successive workshops included lessons on NYC Street Art of the 1980's, digital influences of the internet on painting in the 1990's and post-modern hybridism of contemporary art, beginning with 2000's and into the present.
